There are times and environments that demand more than run-of-the-mill shop furniture. This is the time and place for Strong Hold. A line of shop furniture so durable and robust that it is accepted and demanded by industrial heavy weights. Major auto manufacturers use hundreds of these units! Organize your housekeeping needs with our broom closet cabinets. As heavy-duty as the rest of the Strong Hold line, double doors permit full access to all shelves. Closet side stores long handled floor care items. Use side shelves to store paper products, cleaners and brushes. Shelves can be adjusted or removed to accommodate large pails.
