cylinder lock and key set or accepts an optional padlock;

- Haz-Alert™ reflective warning labels are highly visible under fire conditions or during power outages when illuminated with a flashlight;
- Patented SpillSlope® galvanized steel shelves direct spills to back and bottom of a leakproof 2" (51-mm) bottom sump and they adjust on 3" centers for versatile storage;
- Cabinets also feature dual vents with flame arresters, four adjustable self-leveling feet, grounding connector, and trilingual warning label;
- Durable lead-free epoxy/polyester powder-coat finish provides excellent chemical resistance;
- Manual-close door opens to a full 180 degrees and self-latches when pushed closed;
- Features keyholes on back for optional wall mounting.
