- Haz-Alert™ reflective warning labels are highly visible under fire conditions or during power outages when illuminated with a flashlight
- Patented SpillSlope® galvanized steel shelves direct spills to back and bottom of a leakproof 2" (51-mm) bottom sump and they adjust on 3" centers for versatile storage
- Cabinets also feature dual vents with flame arresters, four adjustable self-leveling feet, grounding connector, and trilingual warning label
- Durable lead-free epoxy/polyester powder-coat finish provides excellent chemical resistance
- Self-close door shuts and latches automatically when a fusible link melts at 165°F (74°C) under fire conditions
- Unique, concealed self-closing mechanism offers obstruction-free access to contents
