Colour: Yellow

- Gain storage space near work areas without taking up extra floor space;
- Eye-level positioning allows for easy access to solvents;
- Complete with mounting hardware;
- Protect workers, reduce fire risks, and improve productivity by storing flammable fuels and chemicals in code-compliant safety cabinets;
- High-performance, self-latching doors close easily and securely for maximum protection under fire conditions;
- Fail-safe closing mechanism ensures three-point stainless steel bullet latching system works every time;

For more information contact us by phone at 450 642-1118 or by email at info@laflammeindustriels.com.

- For added security, U-Loc™ handle comes with a cylinder lock and key set or accepts an optional padlock;
- Haz-Alert™ reflective warning labels are highly visible under fire conditions or during power outages when illuminated with a flashlight;
- Patented SpillSlope® galvanized steel shelves direct spills to back and bottom of a leakproof 2" (51-mm) bottom sump and they adjust on 3" centers for versatile storage;
- Cabinets also feature dual vents with flame arresters, four adjustable self-leveling feet, grounding connector, and trilingual warning label;
- Durable lead-free epoxy/polyester powder-coat finish provides excellent chemical resistance.
